

AMBASSADOR

CHRISTIAN SCHOOL

Ambassador Christian School was founded in 2022 and will host its first students in August of 2024. ACS is an independent, co-educational, college-preparatory school serving grades 9-12, in Huntersville, NC.

The pillars of the school are Hope, Truth, Virtue, and Purpose which together form the support structure for healthy, grounded students in a culture of shifting sand. Our goal is to create a memorable, student-centered experience while setting a high bar for academic, artistic, and athletic excellence. Embedded into everything we do, is the opportunity for students to authentically explore and deepen their faith.

College Prep

The Academic Advising Program is a four-year journey that begins in 9th grade and covers all aspects of college/career planning. Students are assigned individual advisors to help them navigate the college admissions process.

Calling Prep

Assessments are administered each year to help students understand how God has uniquely designed and hard-wired them. An annual summit allows students to dig deeper and gain clarity toward college/career readiness.
