CHRISTIAN SCHOOL

WISH BOOK 2023-2024

11901 SAM FURR RD, HUNTERVILLE, NC 28078 | INFO@AMBASSADORCHRISTIAN.NET

'TIS THE SEASON!

It's happening! The renovation has started, students are enrolling, staff are being hired, and the doors of the school will be open in August 2024! Thanks to a generous donation from Bill and Ericka Cain, the renovations to the building are covered, but there are many start-up expenses aside from the building itself. We have outlined some of them in our Christmas Wish Book.

As you plan your end-of-year giving, would you consider a gift to the school to cover some of these costs? We believe that the best school in the area, with the strongest academics, the most competitive athletics, the most accomplished arts, and the most engaging culture, should be one that has the Gospel at its core. We intend to be that school but need your help to pursue this goal with excellence.

All donations or in-kind gifts over \$50,000 made prior to school opening will be included in our Founders Circle. If you are interested in making a lead gift toward future capital campaigns for an academic building, athletic facilities, or our signature skilled trades complex, please contact school founders Melissa Gibbs at mgibbs@ambassadorchristian.net or Nicole Bryan at nbryan@ambassadorchristian.net. We can only go as fast as funds allow!

We hope you'll be involved in launching Ambassador! We had over 250 people attend our first two interest meetings in October and have been inspired by the community response. They are coming! Help us get ready :)

CAMPUS

\$50,000

LANDSCAPING

Our 28 acre campus is in need of a refresh including the removal of weeds and overgrowth, fresh mulching, and trimming of trees and bushes. Additionally, there is landscaping needed around the building and at the front entrance in order to enhance the curb appeal of our beautiful school.

\$25,000

BALLISTIC FILM FOR WINDOWS

Adding ballistic resistance film to all of our windows and glass doors is an important component of our security plan.

\$7,500

SECURITY GATE

To improve campus security, we'd like to install a gate at our entrance.

CAMPUS

\$25,000

SECURITY & EMERGENCY RESPONSE TRAINING

To prepare for emergencies, we'd like to hire a consultant to craft our preparedness plans and train our staff on crisis response.

PICNIC TABLES

Kids like to be outside and fresh air & sunshine are good for them! Help us create an inviting space for students to enjoy their lunch period al fresco!

Our parking lot would benefit from a top coat of asphalt and re-lining of our 450 spaces. This will address the cracking that has occurred over the 15 years since it was originally paved.

Apple computers for use by yearbook staff and graphic arts classes.

BROADCAST STUDIO
